Legal Release

I, _____ (name), desire to participate in the MADiDEA 2005 Symposium on Diabetes and Mountains endorsed and organized by IDEA 2000, Inc. (US) and Mountains for Active Diabetics (UK). I have enclosed a non-refundable deposit of \$ _____ in consideration thereof. I acknowledge that am over 18 years of age and that I am in good diabetic control and able to adjust insulin doses based on changes in diet, activity, or illness. I certify that I am familiar with the dangers, hazards and risks incident to mountain outdoor activity (including, but not limited to backpacking, trekking, hiking, trail running, rock climbing, mountaineering, peak bagging, bouldering, mountain biking, paddle sports) travel, trips, diabetes and diabetes self management and I hereby assume the risk of the same and I undertake MADiDEA 2005 on my own responsibility and risk. As a participant in said symposium I certify that the organization of MADiDEA 2005 is relying solely on my own evaluation of my skill and experience level and agree that MADiDEA 2005 owes no duty to conduct an independent evaluation of my fitness or my level of experience to participate in said symposium. I understand that neither the organization of MADiDEA 2005 nor any other participants thereof nor IDEA 2000, Inc. nor Mountains for Active Diabetics assume any responsibility for my safety during said symposium and that such responsibility is solely my own. I certify that the organizers or other participants of MADiDEA 2005 are not "qualified" instructors nor are they providing instruction. In consideration of said endorsement/organization and of the services furnished me and to be furnished to me as a participant of MADiDEA 2005, I hereby release IDEA 2000, Inc. and Mountains for Active Diabetics, its Officers and Directors, all sponsors, and all of the participants of MADiDEA 2005 from any and all damages, inquiries, losses or any cause of action which may result in me, my legal representatives or others purporting to exercise statutory or hereby assume each and every damage incident to my participation and agree to indemnify and hold harmless IDEA 2000, Inc. and Mountains for Active Diabetics, its Officers and Directors, all sponsors, and all participants of MADiDEA 2005 against any sums which they or any of them may be subject to pay in consequence of any claim or demand by or through me or resulting from my being a participant in MADiDEA 2005. I also certify that I am responsible for all costs associated with my rescue and/or any medical assistance resulting from any injury during MADiDEA 2005, and certify that insurance policies for rescue and medical assistance are solely my own responsibility.

I have consulted with my personal health care team and have discussed my participation in MADiDEA 2005 and my suitability in attending. I do not have any complications or conditions which could pose acute problems to my health (such as retinopathy) while participating in MADiDEA 2005. I acknowledge that the Bison Peak Lodge is at high altitude (9000 ft., 2800 meters) and in a very remote setting where professional medical treatment and evacuation are distant, difficult or impossible to obtain.
